STEP 3: ENROLL IN COURSE

Once a student's admissions application has been accepted, they may enroll. There is no cap on the number of students who are accepted into the course.

Students can select a start date for at least 1 day after registration. Students must pay for their course by 6:00 pm EST on the day prior to their start date. In some instances financial aid will pay for the online course. For more information regarding registration, financial aid, or student payments please contact the 24/7 **KCTCS Online Student Services Help Desk** at 1-866-321-7406.

After enrolling in the Nurse Aide course, the student will receive a passkey for all texts in an email to their KCTCS email address. Students will have access to the course on their start date and access to their textbook within the next 3 business days. To allow students to start the coursework immediately the entire textbook is embedded in each chapter of the course in Blackboard. The textbook will be the most current edition of Mosby's Textbook for Long-Term Care Assistants.

Students can complete the online component of this course at their own pace within the length of time specified by the Learning Contract,(10 weeks) but scheduling of the campus lab (module 2) and clinical portion (module 3) of this course will be limited to the availability of these facilities.
