Loan Request

I understand I can utilize the National Student Loan Data System (NSLDS) at www.nsls.ed.gov to monitor the total amount of student loans I have borrowed and obtain my loan servicer contact information.

I understand borrowing a student loan is a legal obligation and must be repaid. There are consequences for not paying it back.

I understand I must remain enrolled in at least six credit hours during each term I plan to receive a student loan in order to remain eligible for a student loan disbursement.

If I experience financial difficulty at the end of my loan grace period, I understand I should contact my loan servicer to see what repayment options are available.

I have read and understand the above statements:

The financial aid office will review your request and award loans in an accepted status based on your actual loan eligibility within 10 business days. You can review your awarded loan within the financial aid section of student self-service. The loan amounts you are determined to be eligible for will be split across the fall and spring semesters.

Your actual loan eligibility will be determined when the financial aid office reviews your request. You may not be eligible for the full amount being requested.
