A session is defined as an enrollment period within an academic term. An academic term (fall, spring, or summer) may have a number of sessions running concurrently — 16, 8, 4-Week. Calendar days of the session, include all Saturdays and Sundays, but exclude KCTCS recognized holidays. Consult with your local KCTCS college business office for specifics.

*Session is defined as the beginning of the term, not the first day of a scheduled class.

*Calendar days of the session, including all Saturdays and Sundays, but excluding KCTCS recognized holidays.

- Non-attendance does not relieve you of your obligation or entitle you to a refund.
- No refund of tuition will be made to a student whose course load is reduced as a result of passing a special examination for credit.
- Refunds for payments made with a credit card are credited back to the same card.

WITHDRAW (W) GRADES

- Classes dropped within the 100% refund period do not appear on a student’s academic record.
- A grade of W will be assigned for classes dropped within the 50% refund period.
- After midterm date, an instructor’s permission is required to withdraw and receive a grade of W.
