REFUND INFORMATION

In order to receive a tuition refund a student must officially withdraw within the refund period specified within this policy. Refunds for sessions different from those listed below are prorated according to the session in proportion to the traditional 16-Week session. A session is defined as an enrollment period within an academic term. An academic term (fall, spring, or summer) may have a number of sessions running concurrently — 16, 8, 4-Week.

Timeframe for Tuition Refunds*			
Session	100%	50%	No Refund
16-Week	Within 7 th day	8 th – 29 th day	After 29 th day
8-Week	Within 4 th day	5 th – 15 th day	After 15 th day
6-Week	Within 3 rd day	4 th – 11 th day	After 11 th day
5-Week	Within 2 nd day	3 rd – 9 th day	After 10 th day

*Session is defined as the beginning of the term, not the first day of a scheduled class.

*Calendar days of the session, including all Saturdays and Sundays, but excluding KCTCS recognized holidays.

NO SHOW POLICY

Students will be reported to the registrar as a no show if they fail to attend the first day of class, if the class meets once a week, or the second day of class, if the class meets more than once a week. A no show for in-person classes is defined as a student who does not attend the first class (and second in the case of classes meeting more than once a week) and has not contacted the instructor by phone, email, or in person **before** the class meets. A no show for online classes is defined as a student who does not access Blackboard **AND** participate in a class activity as directed in the class syllabus or contact the instructor by phone, email, or in person before the class meets. Logging in to the class periodically **does not** constitute attendance.

Students who fail to contact their instructor are **completely dropped from the class** as if they had never enrolled in it. Students will not be put back into a class after the “add” period as listed on the academic calendar if they are dropped as a no show.

There may be serious financial aid consequences for students who are receiving financial aid, since this will reduce the number of enrolled credit hours. If students believe their instructor reported them as a no show in error, they must contact the instructor immediately to resolve the issue.

WITHDRAW (W) GRADES

- Classes dropped within the 100% refund period do not appear on a student’s academic record.
- A grade of W will be assigned for classes dropped within the 50% refund period.
- After midterm date, an instructor’s permission is required to withdraw and receive a grade of W.
