	<b>PROGRAM TOTALS</b>	<b>62-65</b>

- Computer literacy must be demonstrated either by competency exam or by completing a computer literacy course prior to graduation. CIT 105 will fulfill this requirement.
- You must earn a "C" or higher in all courses required for the PN program.
- Students are strongly encouraged to complete MAT 150 prior to beginning the PN Program to enhance success in nursing courses that introduce and instruct in concepts of dosage calculations and medication administration.
- Math 065 or above is a prerequisite for Bio 137/139
