RE: NLN HyFlex Proctorio Exam Information

Dear Candidate,

In preparation for your upcoming NLN Exam it is very important that you take a few moments and review the attached ***NLN Student Guide for Testing with HyFlex Proctorio (PDF)***. This guide will provide you with everything you need to create your new NLN account, purchase prep materials, practice exams, take your actual test, and access your scores.

There are a few things you need to know about HyFlex Proctorio Exams:

- 1.) You must have a working camera and microphone available on your computer or laptop. You must have a strong internet connection (see system requirements)
- 2.) You must use Google Chrome when taking the exam.
- 3.) You will be required to download the Proctorio Extension onto your account.
- 4.) There is **NO SCHEDULING** required for this exam. Simply purchase and take it when you are ready to do so but be sure to review the testing environment requirements in the guide.
- 5.) There is a calculator and whiteboard in the exam for use during the exam – no other tools are allowed.
- 6.) If you need ADA Accommodations our policy has changed as of 1-11-21. Please review the process in the student guide.
- 7.) If you set up your account as instructed in this guide, you will not need to have your scores sent to your institution, they will receive them automatically.

A couple of things you will need from your institution to get started:

- 1.) Copy of the NLN Student Guide (PDF)
- 2.) The Actual Name of the Exam you are taking.
 - a. H-PAX_1: Pre-Admission Exam for HyFlex – for applicants to the traditional RN track, Transition Medic To RN track, or traditional PN track.
 - b. H-NRF_1: Foundations of Nursing for HyFlex – for applicants to the LPN To RN Bridge program only.

If after reviewing the NLN Student Guide you still have questions, please feel free to give us a call at 800-732-8656 Ext. 2 or email us at studenthelp@nlm.org
