

All remote exams should be scheduled in accordance with your specific Institution's testing deadlines. All institutions have the right to accept or deny scores based on each individual institution's specific program guidelines. Please make sure you are aware of all requirements set by your institution.

Students should follow these [step-by-step instructions](#).

Sign Up for Your Online Exam

1. The following three things must be added to your profile before scheduling an exam. To do this, click on your name in the upper right and go to [Edit Profile](#). You must click "save" after editing each profile section:
 - o Your real first and last name in the *Main* section
 - o Your local time zone from the *Account* section
2. Purchase your exam from the [Buy Exam](#) tab. Check out using your voucher code/credit card payment. You will receive email confirmation. Check your spam or junk folder if necessary.
3. Schedule your exam from the [My Assessments](#) tab. You will receive an email from Examity with confirmation and exam-day instructions. Read this email carefully. Don't forget to add your exam appointment to your calendar.
4. 15 min before your scheduled time, click on the link in the email from Examity to launch your exam. It may take up to an hour for your proctor to join as there is a high volume of testers at this time. Please be patient.
